**Permit Number: P11-2021**

## FIRE PERMIT

### **APPROVAL FOR BURNING OPERATIONS (FIREBREAKS/BLOCKBURNS/GENERAL BURNING)**

Based on an application received from **Me D dr Beer** from the Plot/Farm/Area **48 Modder East Orchids**, who applied to make fire breaks/Block burns(burning harvested fields).

The applicant is fully aware of the fire danger rating, which is Yellow, and is expected to turn Orange later in the day.

The applicant;-

1. Will put in place precautionary measures to manage the proposed work and to prevent the fire from becoming uncontrollable and/or spread from the property.
2. Will have sufficient resources available and the necessary arrangements have already been made with neighbors.
3. **Understand that he/they may not proceed with firebreaks/burning between 11h00 and 16h00** if the weather conditions deteriorate making burning dangerous.
4. Will also contact the Fire Department daily at 10h00 or at 14h00 to obtain the specific fire danger rating during **this time**.
5. **The applicant remains responsible for the operation and to prevent any burning to become uncontrollable.**

Applicant: **Me. D de Beer**

Permit Approved: **YES (Conditional)** Permit valid for: **30 June 2021 06:00 to 10:00 Only (on condition FDI remains Yellow and wind conditions is favourable)**
