## FIRE PERMIT

### APPROVAL FOR BURNING OPERATIONS (FIREBREAKS/BLOCKBURNS/GENERAL BURNING)

Based on an application received from **Me. K Badenhorst** on behalf of the following Plots/Areas **Plot 72, Modder East Orchids**, who applied to make a controlled burn.

The applicant is fully aware of the fire danger rating, which is Orange, and is expected to remain Orange for the next week, but that the current weather conditions was favourable for the controlled burn.

The applicant;-

1. Will put in place precautionary measures to manage the proposed work and to prevent the fire from becoming uncontrollable and/or spread from the property.
2. Will have sufficient resources available and the necessary arrangements have already been made with neighbors.
3. Understand that he/they may not proceed with firebreaks/burning between 11h00 and 16h00 if the weather conditions deteriorate making burning dangerous.
4. Will also contact the Fire Department daily at 10h00 or at 14h00 to obtain the specific fire danger rating during **this time**.
5. **The applicant remains responsible for the operation and to prevent any burning to become uncontrollable.**

Applicant: **Me. K Badenhorst**

Permit Approved: **YES**

Permit valid for: **13 and 14 September 2021 (on condition FDI does not increase and wind conditions remain favourable)**
